[www.mth-railking.com](http://www.mth-railking.com)

The Yard & Work Office operating accessory brings an authentic look and a touch of realism to any O Gauge model railroad. Featuring sturdy ABS construction, the structure is fully assembled and ready to operate. It contains operating interior and exterior lights and an operating simulated flickering campfire. Wiring takes just a few seconds and the accessory can be powered with any AC powersupply.

# Yard & Work Offices

## COMPONENTS

The Yard or Work Offices come with the building, two male figures, a tree stump & a hotdog on a stick.

## WIRING INSTRUCTIONS

The lighting in the Yard or Work Offices are powered by an AC transformer. To set up the building's power, gently turn the Yard or Work Office upside down and prop it carefully on a soft surface, so you do not damage the decorated shell.

To wire:

With the transformer turned off, connect the red wire to the AC hot and the black wire to the AC ground from the transformer to the four terminal clips indicated on the bottom of the base. Suggested operating voltage is 12v-16v.

Figure 1. Underside of Yard & Work Offices

## CHANGING LIGHT BULBS

### Interior Lights

1

Remove the four screws on the bottom of the base.

2

Lift the shell and remove the (2) two-pin connectors.

3

Remove light bracket screws.

4

Pull out lights, install new bulbs. Reassemble in reverse order.

## Outdoor Lamp Lights

Repeat steps 1 & 2 from page 2. Then continue by following the steps below.

**3**

Remove the Lamp Shades

**4**

In order to replace the Outdoor Lamps for the Work Office, you will need to remove the light holder by pulling it off the shell.

Work office Lamp holder

**5**

Remove the light bulb and wires from the wire guide and pull the piece through the shell.

**6**

Install new bulbs. Reassemble in reverse order.

## Campfire LED Lights

Repeat steps 1 & 2 from page 2. Then continue by following the steps below.

**3**

Remove the Three-Pin Connector from the PCB board.

**4**

Remove the Campfire.

**4**

Lift out the LED.

**6**

Install a new LED. Reassemble in reverse order.

You can obtain replacement bulbs directly from the M.T.H. Parts Department.

## **CAUTION: ELECTRICALLY OPERATED PRODUCT:**

Not recommended for children under 10 years of age without adult supervision. As with all electric products, precautions should be observed during handling and use to reduce the risk of electric shock.

**WARNING:** When using electrical products, basic safety precautions should be followed including the following:

- Read this manual thoroughly before using this device.
- M.T.H. recommends that all users and persons supervising use examine the unit periodically for conditions that may result in the risk of fire, electric shock, or injury to persons, such as damage to the primary cord, plug blades, housing, output jacks or other parts. In the event such conditions exist, the unit should not be used until properly repaired.
- This unit is intended for indoor use. Do not use if water is present. Serious injury or fatality may result.
- Do not operate with damaged wires or clips.
- Do not use this unit for other than its intended purpose. This unit was designed to operate with any AC or DC output toy train transformer. See the transformer's operating instructions for more operating and safety information.

# Service & Warranty Information

## How to Get Service Under the Terms of the Limited One-Year Warranty

When you suspect an item is defective, please check the operator's manual for standard operation and trouble-shooting techniques that may correct the problem. Additional information may be found on the M.T.H. Website. Should you still require service, follow the instructions below to obtain warranty service.

First, e-mail, write, call or fax a M.T.H. Authorized Service Center (ASC) in your area to obtain Repair Authorization. You can find the list of ASCs on the M.T.H. Website, [www.mth-railking.com](http://www.mth-railking.com). Authorized Service Centers are required to make warranty repairs on items sold *only* from that store; all other repairs may-- or may not be done at the store's own discretion. If you did not purchase the item directly from the ASC, you will need to select a National Authorized Service Center (NASC). These centers are compensated by M.T.H. to perform warranty service for any customer whose repair qualifies for warranty service. A list of NASC retailers can be located on the M.T.H. Website or by calling 1-888-640-3700. Should the warranty no longer apply, you may choose either an ASC or NASC retailer to service your M.T.H. Product. A reasonable service fee will be charged.

**CAUTION:** Make sure the product is packed in its original factory packaging including its foam and plastic wrapping material to prevent damage to the merchandise. There is no need to return the entire set if only one of the components is in need of repair *unless otherwise instructed by the Service Center. The shipment must be prepaid and we recommend that it be insured. A cover letter including your name, address, daytime phone number, e-mail address (if available), Return Authorization number (if required by the service center, a copy of your sales receipt and a full description of the problem must be included to facilitate the repairs. Please include the description regardless of whether you discussed the problem with a service technician when contacting the Service Center for your Return Authorization.*

Please make sure you have followed the instructions carefully before returning any merchandise for service. Authorized M.T.H. Service Centers are independently owned and operated and are not agents or representatives of M.T.H. Electric Trains. M.T.H. assumes no responsibility, financial or otherwise, for material left in their possession, or work done, by privately owned M.T.H. Authorized Service Centers.

If you need assistance at any time email MTH Service at [service@mth-railking.com](mailto:service@mth-railking.com), or call 410381-2580.

## Limited One-Year Warranty

All M.T.H. products purchased from an Authorized M.T.H. Train Merchant are covered by this warranty.

See our website at [www.mth-railking.com](http://www.mth-railking.com) or call 1-888-640-3700 to identify an Authorized M.T.H. Train Merchant near you.

M.T.H. products are warranted for one year from the date of purchase against defects in material or workmanship, excluding wear items such as light bulbs, pick-up rollers, batteries, smoke unit wicks, and traction tires. We will repair or replace (at our option) the defective part without charge for the parts or labor, if the item is returned to an M.T.H. Authorized Service Center (ASC) or M.T.H. National Authorized Service Center (NASC) within one year of the original date of purchase. This warranty does not cover damages caused by improper care, handling, or use. Transportation costs incurred by the customer are not covered under this warranty.

Items sent for repair must be accompanied by a return authorization number, a description of the problem, and **a copy of the original sales receipt from an Authorized M.T.H. Train Merchant**, which gives the date of purchase. If you are sending this product to an Authorized Service Center, contact that Center for their return authorization.

This warranty gives you specific legal rights, and you may have other rights that vary from state to state. Specific questions regarding the warranty may be forwarded to M.T.H. directly.
